Bank PO Common Entrance Examination (CWE):

The Banking Industry is recruiting in a big way. In the next five years, banks will have to recruit almost 7.5 lakh people. There is more good news for lakhs of aspirants seeking a career in banking sector – the time taken by a bank to complete the recruitment process, which is now 6-8 months, will come down to 2-3 months with the introduction of the first of its kind "Common Written Examination (CWE)" in 2011. The Institute of Banking Personnel Selection (IBPS) will conduct the CWE. This examination is the pre-requisite for selection of personnel for the posts of Probationary Officer/Management Trainee in 19 Public Sector Banks.

CWE would be conducted once in six months to cater the need of the industry and also to the needs of job aspirants. This will prove to be a boon for Bank PO aspirants. This means that aspirants are clear about when they should apply, and can plan their preparation in an organised and effective manner.

List of banks participating in CWE:

Except SBI, which has decided to plough its own trough, almost all major Public Sector Banks are participating in the CWE. The 19 banks which will participate in the CWE are Allahabad Bank, Andhra Bank, Bank of Baroda, Bank of India, Bank of Maharashtra, Canara Bank, Central Bank of India, Corporation Bank, Dena Bank, Indian Bank, Indian Overseas Bank, Oriental Bank of Commerce, Punjab National Bank, Punjab & Sind Bank, Syndicate Bank, Union Bank of India, United Bank of India, UCO Bank & Vijaya Bank.

Eligibility and test pattern of Bank PO CWE:

- (a) **Age-limit:** Minimum: 20 Years, Maximum: 30 Years. The maximum age limit specified is applicable to General Category candidates. Relaxation of Upper age limit for reserved categories as per rules.
- (b) **Educational Qualifications:** A degree in any discipline from a recognized University or any equivalent qualification recognized as such by the Central Government.

Exam pattern:

S.No.	Test Area	Questions	Marks
1	Reasoning	50	50
2	English Language	50	25
3	Quantitative Aptitude	50	50
4	General Awareness (with special reference to Banking Industry)	50	50
5	Computer Knowledge	50	50
Total		250	225

Descriptive Paper on English Composition: (Essay, Precis, Letter Writing, etc.)

In addition to the objective paper, there will be a Descriptive Paper on English Composition for 60 minutes and 25 marks. The above tests except the Test of English Language and Descriptive Paper on English Composition will be printed bilingually, i.e. English and Hindi. **The Descriptive Papers of only those candidates who secure minimum qualifying marks in each of the objective tests will be evaluated.**

Negative Marking: There will be penalty for wrong answers marked in the Objective Test. For each question for which a wrong answer has been given by the candidate one fourth or 0.25 of the marks assigned to that question will be deducted as penalty to arrive at correct score.

Score-card:

Candidates who are successful in the CWE will be issued score-cards. The score will be valid for a period of one year from the date of examination. The successful candidates can apply to any of the participating banks as and when the banks announce the vacancies. Each bank will have its own eligibility criteria in terms of age, qualification, minimum score required in the CWE and so on. These banks will then carry out their own selection process like Group Discussion and / or Interview for the final selection.

What you need to succeed :

Since the marks scored in the descriptive section are not added to the final score, the students who have the highest chance of success are those who can master the objective type questions. Typically, the candidates will have less than a minute for each question. Wrong answers carry negative marks in the objective tests. The main requirements for candidates are to develop confidence through high-quality preparation, constant practice in various test areas and to develop the ability to give accurate answers under the pressure of time.
