• What do our students say?

The AIMGATE (online test series) provided by T.I.M.E. was one of the key contributors to my success in GATE. The questions were similar to the level of Actual GATE exam and they covered almost the entire syllabus. *Thaduri Naveen-AIR 1 (IN*) in GATE 2017*

I am very thankful to T.I.M.E for the excellent coaching provided. The coaching is started from the very basic level so that the student does not have any problem in understanding the fundamentals before going onto in depth chapters. I secured 1st rank in GATE mainly because of T.I.M.E. who have helped me in achieving my dreams in all possible ways.
